### SUSTAINABILITY

We are committed to a greener, more sustainable future for all. We strive to minimise the environmental impact of ALL our products, by carefully selecting ingredients that are biodegradable and/or cause minimal harm.

PLEASE RECYCLE RESPONSIBLY

- ✓ MEETS EU STANDARD ON BIODEGRADABILITY
- ✓ MEETS RAPID GROUP'S ECO STANDARDS
- ✓ ENVIRONMENTAL CHOICE NZ LICENSED

All cleaning products can have an effect on the environment. Always use the correct dose for maximum efficiency and minimum impact on the environment. Do not pour bulk neat chemicals into drains, etc. Small quantities of this product may be flushed to sewer. Rinse container and place it with your recycling to be collected. Please see safety data sheet for more information.

ProWash is a concentrated, alkaline automated dishwash detergent, which neutralises fat/grease and removes all soils from crockery and cutlery. Use in conjunction with our Pro Rinse for optimum performance.

Not recommended for manual dosing, unless in contingency commercial situations.

MPI-C31 (all animal products, except dairy).
